ADVICE & CONTACT 13

AGTEUROPE

Door Sill Guards

Door sills protect the doorsteps in the interior from scratches and scrapes. Available in brushed stainless steel, with the vehicle logo.
Item No.: 82212428AB

- Set of two
- Made of stainless steel
- For Crew/Quad Cab

Sports Pedal-Kit

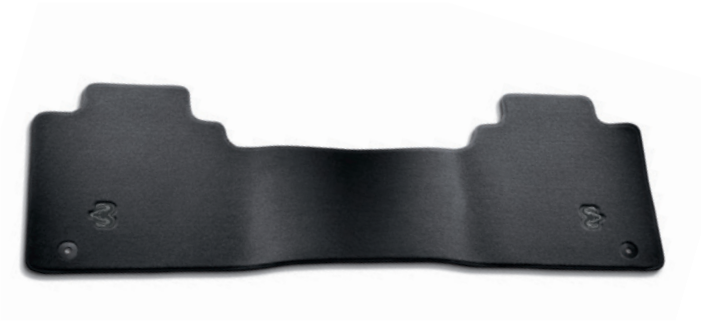
The steel pedal covers give your foot area a sporty look. The rubber pads provide a secure grip on the pedals and a nice contrast to the performance look.
Item No.: 82212138AB

- Gas and brake
- With black rubber pads
- Mounting without drilling

Premium Floor Mats Front

Premium floor mats protect the original carpet of your vehicle and give it an unmistakable look. Colour matched and tailor made for your foot space.
Item No.: 82213395AB

- Driver and co-driver
- RAM's head logo
- For Crew/Mega Cab



Premium Floor Mats Rear

Premium floor mats protect the original carpet of your vehicle and give it an unmistakable look. Colour matched and tailor made for your foot space.
Item No.: 82213400AB

- Premium black carpet
- RAM's head logo
- For Crew Cab

All-Weather Mats front

All-weather style floor mats are molded in color and feature deep ribs to trap and hold water, snow and mud to protect your carpet and to keep it clean. A must during inclement weather.
Artikel-Nr.: 82213404

- Driver and co-driver
- RAM's head logo
- For Crew/Mega Cab

All-Weather Mat rear

The all-weather style floor mat is molded in color and feature deep ribs to trap and hold water, snow and mud to protect your carpet and to keep it clean. A must during inclement weather.
Artikel-Nr.: 82213408

- Perfectly fitting
- RAM's head logo
- For Crew Cab

Splash Guards Front

Splash guards offer excellent protection for the underbody and flanks against stone chips and dirt. They are adapted to the contours of your vehicle.
Item No.: 82212287AC

Set of two

For Crew/Quad Cab
(without fender flares or side steps)

Splash Guards Rear

Splash guards offer excellent protection for the underbody and flanks against stone chips and dirt. They are adapted to the contours of your vehicle.
Item No.: 82211228

Set of two

For Crew/Quad Cab
(without fender flares)

No TÜV certificate and not EU conform

SPORT BAR 2.0 incl. LED Auxiliary Lights

Go Rhino's Sport Bar 2.0 gives your RAM more style and sportiness. The sport bar is equipped with 4 LED auxiliary lights and can be folded in electrically.
Item No.: 911600T

Pre-installed electrically retractable light rail

Compatible with most tonneaus

No TÜV certificate and not EU conform

SPORT BAR 3.0 Polished Stainless Steel

The Sport Bar 3.0 with a classically polished stainless steel look is compatible with most retractable and foldable cargo area covers (tonneaus).
Item No.: 911003PS

High-quality look thanks to polished stainless steel

Several pre-drilled holes for mounting lights

TPMS FIT

AGT 20” five spoke aluminum wheel by ALCAR

Stylish aluminum rim from the traditional German manufacturer ALCAR for your RAM DS 1500.
The polished, extra large surfaces keep dirt far away.
Item No.: AGT-RAM WE 9x20 BP

Made in Germany!

TÜV approved
(Original dimension 9" x 20", offset 19.05 mm, tested wheel load 1200 kg)

TPMS-Sensor (self adapting)

Separate tire pressure control sensors are required to ensure that the vehicle's own tire pressure monitoring system also functions perfectly with the attractive AGT accessory rim.
Item No.: AGT-RAM DS TPMS

Available with metal screw and rubber valve

Frequenzy 433 MHz
(315 MHz upon request)

Colours brilliant black PXR, bright white PW7 and granite crystal PAU

Insulated roof

Interior dome light

Dark tint glass

Easy rotary latch system

Remote control

included

LEER Hardtop 100XR / 5.7' Bed w/o RamBox / from MY 2009

LEER 100XR offers more style and standard options than a conventional hardtop. In addition to its traditional 50/50 side sliding windows, there is a curved all-glass rear door with a centrally mounted LEER twist lock, a remote control for opening and locking, integrated headliner and a removable front sliding window to the cab.
Item No.: 57DR09-100XR

---

included

LEER Hardtop 100XL / 5.7' Bed w/o RamBox / from MY 2009

LEER 100XL offers even more functionality and flair than our 100XR. The recessed SUV-style side window with pivoting ventilation slots and covers protects the valuable cargo from wind and weather, improves the aerodynamics of your vehicle and gives it a classy, finish look. This model also includes a remote control, integrated headliner and a removable front sliding window to the cab.
Item No.: 57DR09-100XL

Available also as a complete set including LEER Locker (see page 9):
Item No.: 57DR09-100XLL

Colours brilliant black PXR, bright white PW7 and granite crystal PAU

Insulated roof, dark tint glass

Interior dome light

Weather covered twist handle lock

Remote control

Optional complete with LEER Locker

- Colours brilliant black PXR, bright white PW7 and granite crystal PAU
- Indoor sky, closing aid
- Easy no-drill installation
- Twist handle lock with weather cover
- Low-profile design

included

LEER 700 Tonneau / 5.7' Bed w/o RamBox / from MY 2009

The LEER 700 integrates seamlessly into the design of the vehicle. The tailor made fiberglass tonneau ensures an excellent fit and appearance. Thanks to the LEER superlift system, the tonneau can be opened and closed effortlessly with the LEER twist handle. The scope of delivery also includes a remote control and integrated headliner.
Item No.: 57DR09-700

LEER HF350M / 5.7' Bed w/o RamBox / from MY 2009

The HF350M from LEER is an innovative triple-folding cargo space cover. The ergonomic transition from the flaps to the side rails protects your load optimally against water ingress and therefore does not require any water drainage. When the loading area is completely open, the flaps can be locked upright so that the entire loading area can be used. With the HF350M from LEER you have a reliable, versatile and easy to use folding cover.
Item No.: 631117

- Structured plates
- Internal locking
- Low-profile design
- Easy installation without drilling and screwing
- Snaps into place and unlocks in seconds using crimp fasteners

- Hands-free, remote-controlled operation
- Durable matt black powder coating on rigid aluminum plates
- No drilling, clampable design for easy installation
- Water drain pipes

Base support not included in scope of delivery

UltraGroove Electric / 5.7' Bed w/o RamBox / from MY 2009

This tonneau can be moved to the desired position with a remote control. An electromagnetic brake locks the cover in any position. The aluminium plates are powder coated in matt black to create a robust and resistant surface.
Item No.: KED77A01

Full-Metal JackRabbit / 5.7' Bed w/o RamBox / from MY 2009

This retractable tonneau cover is made of aluminium and has a robust, powder-coated black surface. The flush mounting makes cleaning easier and gives the cover a slim, streamlined appearance.
Item No.: FMD77A01

- Full metal, powder-coated aluminium deck
- Opening/closing with the built-in drawstring at 12" intervals
- No-drill installation
- Heavy-duty Continuous Tension Spring (CTS) opens cover automatically when the latch is turned

2'000 lbs / 900 kg load-bearing working deck

Two full-length secure drawers

Mounting without drilling

DECKED DR3 / 5.7' Bed w/o RamBox / from MY 2009

DECKED revolutionizes the storage and organization of loading areas with an innovative, weatherproof and ergonomic solution for your RAM. The DECKED system features two full-length secure drawers that slide effortlessly under a 2'000 lbs / 900 kg load-bearing working deck. It's made out of durable high-density polyethylene (HDPE) and American steel, giving owners ergonomic access to tools and equipment while making full use of their RAM load bed. The bearing is individually adjustable and the system can be easily mounted and dismantled on the loading area after assembly without drilling.
Item No.: 136690

BEDSLIDE / 5.7' Bed w/o RamBox / 65''x 48'' / from MY 2009

Carries up to 2'000 lbs / 900 kg

Rail system

LEER hardtop and tonneau customers can get the most out of their trucks by adding a BEDSLIDE. With the BEDSLIDE, you can load and unload your RAM more easily than ever before. The high-quality rail system carries up to 2'000 lbs / 900 kg.
Item No.: 139976

LEER Locker

The LEER Locker is a storage system for LEER hardtops 100XR and 100XL that allows you to use the space of the hardtop even more efficiently. It is an extendable drawer with storage dividers in which you can securely lock and store your equipment.
Item No.: 57DR09-50

Carries up to 100 lbs / 45 kg!
